

THE STATE OF NEW HAMPSHIRE

SUPREME COURT

In Case No. 2017-0427, Georgia A. Tuttle, M.D. & a. v. New Hampshire Medical Malpractice Joint Underwriting Association & a.; In the Matter of The Winding Down of the New Hampshire Medical Malpractice Joint Underwriting Association, the court on August 10, 2017, issued the following order:

Rule 9 Interlocutory Appeal Without Ruling is accepted.

An original and eight copies of the appellants' brief must be filed on or before September 11, 2017. An original and eight copies of opposing briefs must be filed on or before October 11, 2017.

Each party is requested, but is not required, to submit an electronic copy of the party's brief on a computer-readable compact disk (CD). The electronic copy should be in Portable Document Format (PDF). The electronic copy should contain the entire brief, but need not contain documents that are not computer-generated by the party. The label of the CD should include the case name and the case number, and should identify the brief being filed (e.g., plaintiff's opening brief, defendant's opposing brief, petitioner's reply brief).

NOTE: Your brief must not exceed 35 pages. See Rule 16(11). If you are the appealing party, you must attach a copy of any decision(s) being appealed at the end of your brief. See Rule 16(3)(i).

An appealing party is responsible for providing the court with the necessary record to decide the appeal. Failure to do so may result in dismissal of the appeal. For information about how to provide the court with the record, review Rule 13 carefully. If you intend to file an appendix to your brief, review Rule 17.

Dalianis, C.J., and Hicks and Lynn, JJ., concurred.

**Eileen Fox,
Clerk**
